Street Closures for Texas Shrine Parade in Downtown on Saturday

Wichita Falls, Texas – The Wichita Falls Convention and Visitors Bureau and the City of Wichita Falls will be welcoming the Texas Shrine Association to the Community as they celebrate 150 years of Shriners International and 100 years of Shriners Hospitals for Children.

On Saturday, June 11, 2022, the Texas Shriners Association will be hosting a parade in Downtown Wichita Falls. The parade will start at 10 am, and the public is welcome to attend. The route for the parade will impact the following streets in the MPEC and Downtown area:

- 4th Street
- Indiana Avenue
- 8th Street
- Scott Avenue
- 5th Street
- Lamar Street

Elements of the parade include marching bands, military marching units, clowns, mounted units, motor vehicles, floats, and go carts. Participants will include Texans from 13 Shrine Centers across the State.

It is recommended that traffic traveling northbound and southbound in the Downtown area use Ohio Street to avoid parade festivities. Eastbound traffic should use 10th Street, while westbound traffic should use 9th Street. Street closures will begin at 9am, and it is anticipated that the streets will reopen at 11 am.

Should you have questions on the parade route, please contact the City of Wichita Falls Traffic Engineering Division at (940) 761-7640.
